Taylor Brooks

Product Designer · New York, NY · taylor.brooks@example.com · (555) 010-0199 · taylorbrooks.example

Experience

Brightwater Labs · Product Designer New York, NY · 06/2021 - present

A home-energy app that helps renters understand and lower their utility bills.

- Redesigned onboarding; completion rose from 41% to 68% in eight weeks.
- Designed the bill-forecast feature, now used by 120,000 renters each month.
- Built the team's Figma component library (210 components) and wrote its usage guide.
- Ran 30 interviews with renters and landlords and turned them into the 2023 roadmap.

Northlight Studio · Design Intern Brooklyn, NY · 06/2020 - 08/2020

- Designed and prototyped a museum's ticketing kiosk in Figma; tested it with 12 visitors.
- Wrote the studio's accessibility checklist for client handoffs.

Education

Riverside College of Design · BFA Interaction Design 05/2021

Capstone: Designing for Renters' Energy Decisions

Skills

Figma, prototyping, user research, design systems, accessibility (WCAG 2.2), HTML and CSS

Sample material for the Job Hunter Agent demo. Everyone and every organization named here is fictional.
